

2009 JAX CABERNET FRANC

JAX VINEYARDS, NAPA VALLEY Seductive, inky, and dark with graphite aromas, this beautiful gem commands the palate's full attention. The ripe blackberry, fig, and black cherry elements are accented by a subtle undertone of baking spices. The exquisite round tannins offer a long, memorable and persistent finish. Drink now until 2016.

THE STORY BEHIND THIS WINE

JAX Vineyards produce this distinctive Cabernet Franc, sourced solely from the family vineyard. The alluvial loam soil, a summer of ideal northern-Calistoga sun and the hard work of the whole tribe have all come together in triumph this tenth vintage year. The JAX name represents an updated twist and memorable abbreviation of the family name.

VINTAGE NOTES

We could go on forever about our 2009 JAX Cabernet Franc. But since there are only 45 cases available, we'll make our points quickly. Handcrafted, grown at the JAX estate, and blended with absolutely nothing, this limited production Cabernet Franc has truly raised the bar. And while the 2009 JAX Cabernet Franc is perfect for aging, it's totally accessible now. Which raises the question. Why are you still reading this?
