

2012 Y3 SAUVIGNON BLANC

JAX VINEYARDS, NAPA VALLEY This Sauvignon Blanc begins with fresh vibrant aromas of melon, pear, grapefruit and hints of dried apricot and fig. The palate captures the essence of the aromatics with a bounty of bright citrus and minerality laced with crisp acidity that lingers with a fresh finish.

THE STORY BEHIND THIS WINE

Y3. Or as you may ask, why not? After all, the beauty of this wine runs far deeper than the label. Celebrating three generations of land-tilling, wine loving Jacksons, the family is proud to present Y3, a wine as special as the memories of their grandparents at Yarrayne Ranch.

Summers get hot in Calistoga and it was on such a feverish day that siblings Kimberly and Trent found inspiration for this wine. The aim was simple: Make a clean and refreshing wine while representing a true to varietal Napa Valley Sauvignon Blanc.

VINTAGE NOTES

Napa Valley's 2012 vintage was probably one of the best recent years, offering ideal growing conditions throughout the valley. Warm weather during bloom increased yields while warm days and cool nights through the fall preserved acidity and bright notes in the fruit.

Almost completely stainless steel fermented, this wine remains true to Napa Valley, fruit-forward and crisp with a bright minerality. Tropical notes are complemented with clean citrus flavors of lemon and grapefruit and the palate finishes beautifully.
